Imatra Steel's net sales by market segment 2003

- Improved result due to the investment in the base metallurgical line, streamlining measures and implemented price increases.
- In the special engineering steel market demand for both steels and forgings increased.

### Outlook for the rest of the year 2004

#### **Power Businesses**

Full-year forecast unchanged i.e. net sales will grow and profitability will improve slightly. The uncertain political situation in Iraq is a risk factor.

#### Imatra Steel

Net sales increases and operational income improves.
